Product data sheet for uvex phynomic B XG

The best grip in oily conditions in its class. The Xtra Grip coating ensures excellent grip in oily areas and a long service life of the glove. For increased sustainability and safety. uvex phynomic cut protection gloves come from our carbon-neutral production in Germany. They feel like a second skin, are sensitive and meet the highest requirements for protecting your health (proDERM®). Thanks to touchscreen compatibility with all common screens, tablets and mobile phones, there is no need to take off the uvex phynomic B XG.
