AlphaTec™

AlphaTec 87 029

Lightweight supported natural rubber glove with knitted nylon liner

Previously known as: ASTROFLEX 87-029

Anatomically designed natural rubber gloves, with curved fingers and a seamless nylon liner

- **Strengthened grip:** Designed with a rubber latex coating, with a roughened crinkle finish, AlphaTec® 87-029 protective gloves offer superb grip in both wet and dry conditions
- **Increased comfort and durability:** These industrial gloves feature a 13-gauge seamless synthetic liner and a smooth coating on the cuff, ensuring they are soft, lightweight and abrasion-resistant
- **Advanced ergonomics:** Thanks to their anatomical shape and curved fingers, AlphaTec® 87-029 safety gloves also combine excellent dexterity and flexibility
- **Food handling compliance:** They are also suitable food safety gloves, satisfying relevant FDA and EU food handling requirements
- **Assured quality:** In addition, they boast an AQL of 1.5

Industries

- Janitorial / Sanitation
- Machinery and Equipment
- Food Processing
- Chemical

Applications

- Maintenance of plant and machines
- Seafood processing
- Janitorial use
- Chemical Handling

AlphaTec™
