AlphaTec™

87086

Lightweight natural rubber glove with comfort & food compliance

Flocked natural rubber gloves, offering elevated comfort and food handling compliance

- **Increased protection and convenience:** AlphaTec® 87-086 rubber work gloves are flexible, lightweight and possess tear-resistant beaded cuff for easy donning and doffing
- **Food handling compliance:** As these unsupported protective gloves have an AQL of 0.65, they are also suitable for food handling and processing
- **Added durability:** AlphaTec® 87-086 abrasion-resistant gloves offer moderate durability when working in agriculture, food processing and chemical industries
- **Improved comfort:** These yellow hand protection gloves feature 100% cotton flock lining, which ensures flexibility and elevated comfort

Industries

- Agriculture
- Food Processing
- Chemical

Applications

- Janitorial use
- Cleaning
- Fruit Processing
- Fruit and Vegetable
- Food processing and meat packing applications
- Laboratory maintenance and clean up

AlphaTec™
