EDGE®
INDUSTRIAL WORK GLOVES

# 14-663
Blue supported PVC glove

## CE-certified, PVC gloves, combining chemical and mechanical resistance with excellent grip (Length: 360mm/14”)

- **Enhanced durability:** Fully-coated with PVC, EDGE® 14-663 safety gloves ensure greater flexibility and comfort while guarding hands against chemical, mechanical and biological hazards, making them ideal for workers exposed to oils, greases, acids, caustics and alcohols
- **Optimized protection:** These durable work gloves feature a rough, non-slip finish on the palm, fingers and back of hand, offering an excellent grip in wet and oily conditions while protecting against abrasions
- **Reduced risks:** CE-certified, EDGE® 14-663 industrial gloves meet European safety, health and environmental protection requirements and are highly cost-effective PVC work gloves for chemical protection

### Industries
- Energy
- Chemical
- Manufacturing
- Infrastructure Maintenance
- Food Processing
- Utilities

### Applications
- Chemical processing and preparation
- Handling dry, wet or oily large objects
- Maintenance of plant and machines
