HyFlex™

11-917

High flexibility and dexterity for an optimum comfort in use

Oil | Light Duty

Highly durable oil-repellent gloves, protecting hands with dexterous comfort

- **Specialized protection:** HyFlex® 11-917 light-duty industrial gloves feature dipped nitrile coating, guarding against liquid, oil, grease and dirt
- **Improved durability:** Their nitrile coating also ensures durability and longer wear life, satisfying advanced EN-compliant abrasion resistance standards
- **Elevated comfort:** A seamless nylon liner helps ensure these liquid-repellent safety gloves are both dexterous and comfortable
- **Food handling compliance:** These HyFlex® gloves are also suitable for various food processing applications
- **Minimized health risks:** They are DMF-free and certified by Oeko-Tex® as free of substances harmful to human health

Industries

- Agriculture
- Machinery and Equipment
- Construction
- Food Processing

Applications

- Assembly of white goods
- Maintenance
- Preparation of site - unloading of lines and valves
- Metal Fabrication
- Quality control

HyFlex™

11-917

High flexibility and dexterity for an optimum comfort in use

Key Features

- **Liquid-repellent design:** Protection from liquid, oil, grease and dirt
- **Dipped nitrile coating:** Excellent abrasion resistance levels
- **Seamless nylon liner:** Optimized fit, boosting comfort and dexterity

Vulcanization Chemical Accelerators

- Natural rubber proteins (in knitwrist elastic)
- Zinc dibutyl dithiocarbamate

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.
